Compliments of the
Glenwood Class of '59

GLENWOOD HIGH SCHOOL
CANTON, OHIO
1959

We, the Senior Class of Glenwood High School, would like to present to the student body our yearbook. We hope that it will be treasured both now and in the future.

Through our efforts in the 1959 annual, we are giving each student a means for preserving the memories of his school year. In this way the student's education in molding his personality to be of greater service to society will not be forgotten. Also he will be able to recall with joy the social events and experiences which have brought him friendship and happiness.

Our yearbook serves another purpose also. Through its publicity, we are seeking to develop understanding between the school and the community. Thus our school will receive greater support from the community and its graduates will eventually create a better society.

FOOTBALL

This year Glenwood's football team appeared in the winners' circle. Under the coaching of Mr. Smith, Mr. Hadden and Mr. Leuck, they won 6 while losing 3.

Both players and students show plenty of spirit. This year's squad, although small and inexperienced, showed how to win a football game with spirit and backing.

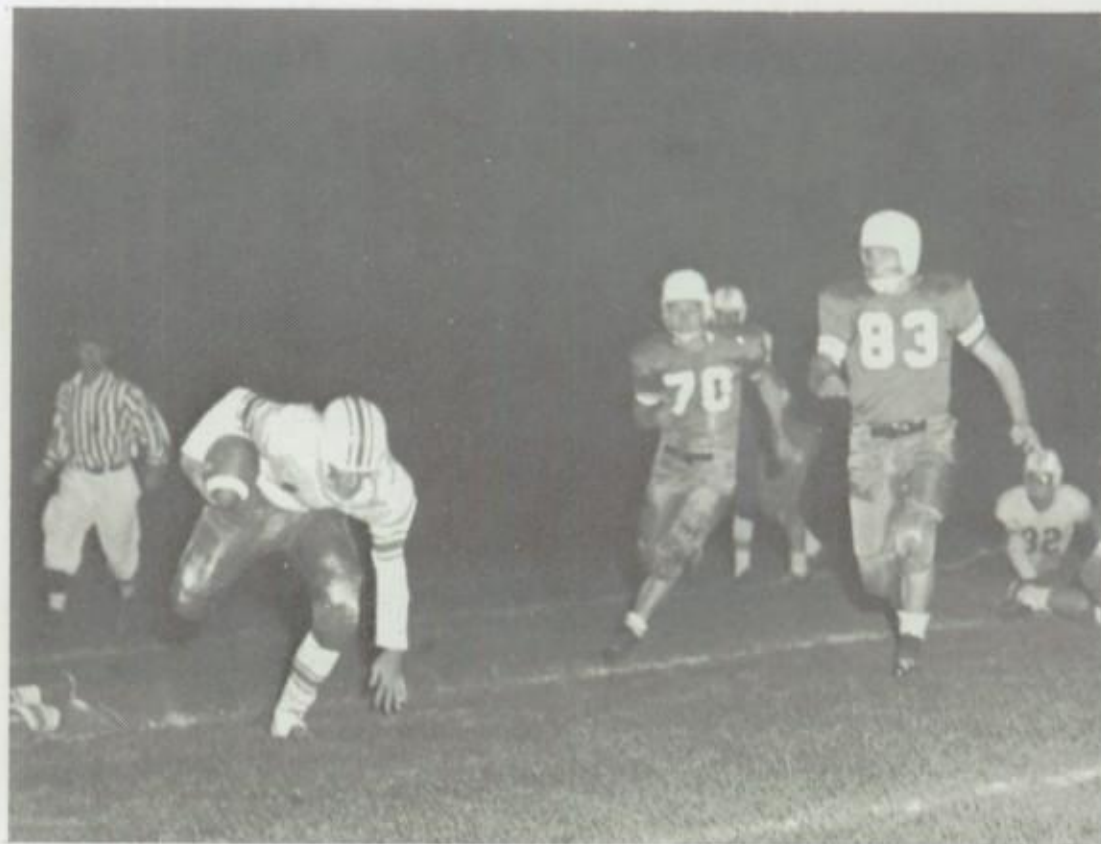

• Question, Coach.

FOOTBALL SNAPS

• Jack Glosser — Tackle

LETTERMEN

• Coach Smith

Dave Hanle has been our outstanding offensive lineman for the last two years. We believe that Dave is one of the best blockers at center. His trademark is hard work and a burning desire to succeed. Dave was elected as a Co-Captain this year.

Jack Glosser has been one of our four very big boys. Jack did a good job in 1957 but because of an arm injury was out of uniform a large part of this season. Our need for this big, rough, co-operative tackle was on our small line.

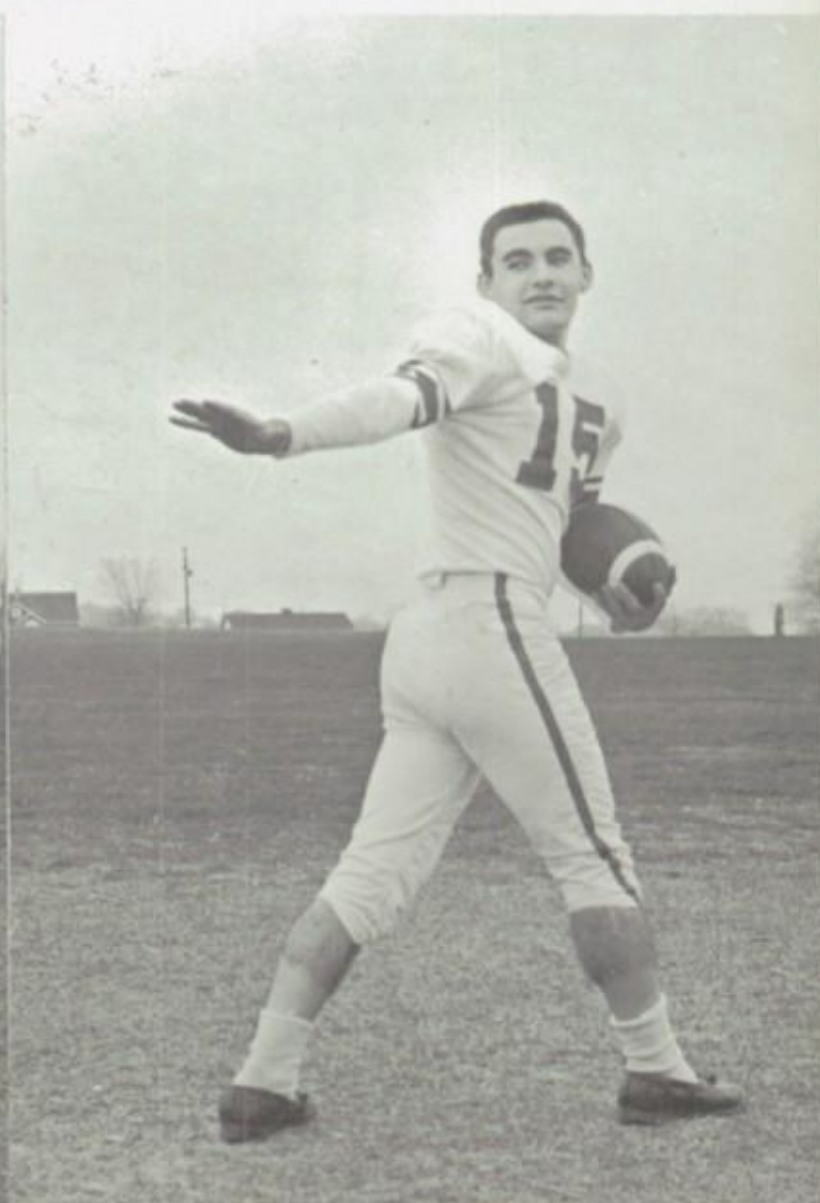

Dave Wheeland was the most improved senior on our squad. He was very small for an end position and the only senior to play offensive and defensive the greater part of the season. The one thing about Dave was his wonderful physical condition. He was always the first man around on our laps and never seemed to tire.

Roger DeVille was a small boy for AA Football but showed a lot of desire. His most memorable play was against Perry in the Preview when he ran 50 yards for a score.

BASKETBALL

When the last game was played, our Junior Varsity team came out with a 7-10 record. But these figures do not show everything since 9 of the 10 games were lost by 6 or less points.

We are looking for much action from the squad next year under the fine coaching of Mr. Sayre.

Congratulations—another born critic!

BORN in America—so he has freedom of speech. He's expressing it already—and he can go right on criticizing, discussing, debating for the rest of his life here. Nobody's ever going to tell *him* to shut up!

Imagine the difference, had he been born in a Communist country. He'd *never* be able to criticize *anything*. He couldn't sound off about taxes, government, job, prices, criticize public officials. Why not? Well, if he did he'd be shot.

We hope he becomes a good, honest, sincere critic. We hope he'll always stand right up and defend his rights. We hope he'll never be afraid to turn the spotlight on wrongs—so someone will take steps to right them. Because that's the American way, and it's an American right guaranteed by the Constitution. It's a *freedom*, and we're all *born* to it.

One thing we know: the rest of us aren't going to let anyone come in and rob him of this right, until he grows up and can

defend it for himself. We aren't going to trade our freedoms—any of them—for Iron Curtain conditions.

Will *you* stand up and defend your freedom of speech? If you do, nobody can ever take it away from you.
